Personal Information Received from the EU/EEA and/or Switzerland:

Fpweb.net may collect personally identifiable information from users in a variety of ways, including through online forms for ordering products and services, and other instances where users are invited to volunteer such information. Fpweb.net may also collect information about how users use our Web site, for example, by tracking the number of unique views received by the pages of the Web site or the domains from which users originate. We may use "cookies" to track how users use our Web site. A cookie is a piece of software that a Web server can store on the users' PC and use to identify the User should they visit the Web site again. While not all of the information that we collect from users is personally identifiable, it may be associated with personally identifiable information that users provide us through our Web site. Fpweb.net will not disclose information collected from users to third parties. However, we may disclose aggregate, anonymous data based on information collected from users to investors and potential partners. Finally, we may transfer information collected from users in connection with a sale of Fpweb.net's business.
